PRESS STATEMENT

For Immediate Release

5th May, 2026

**MINISTER FOR FISHERIES TO TOUR INLAND FISHERIES COMMUNITIES
NATIONWIDE**

The Minister for Fisheries and Aquaculture, Hon. Emelia Arthur, will begin a six-day working tour of inland fisheries communities across the country from Wednesday, 6th May 2026.

The exercise is intended to strengthen engagement with stakeholders, assess key facilities, and obtain firsthand information on the state of the inland fisheries subsector. Insights gathered will contribute to shaping discussions at the forthcoming Inland Fisheries Conference.

The Minister will visit selected communities across the Greater Accra, Volta, Oti, Bono East, Savanna, and Ashanti Regions, where she will interact with fishers, inspect infrastructure, and participate in a strategic planning session in Techiman.

This initiative reflects the Ministry's commitment to ensuring that policies are informed by the experiences and needs of inland fishing communities. Stakeholders and the general public are encouraged to take part in the engagements.
